2009 WITH RESPECT TO SCIENCE & TECHNOLOGY DEPARTMENT**

INTRODUCTION

The J&K Right to Information Act, 2009 as passed by the Jammu and Kashmir State Legislature received the assent of the Governor on 20th March, 2009. The Act provides for setting out the regime of Right to Information for the people of the State to secure access to information under the Control of Public Authorities, in order to promote transparency and accountability in the working of every public authority, the constitution of a State Information Commission and for matters connected therewith or incidental thereto. The objective of this handbook is to provide information to the intended users regarding different functions being delivered by the Science & Technology Department.

Chapter – 1

Particulars of Organization, Functions and Duties

The business of the Government of Jammu and Kashmir is transacted in accordance with the Jammu and Kashmir Business Rules. These rules have been framed under section 43 and subsection 2 of Section 45 of the Constitution of the State. The Council of Ministers headed by the Chief Minister is the highest executive authority of the State under the Constitution. Each Minister is In charge of one or more Administrative Departments. At the Secretariat level, the business of the Government is transacted through various Departments, each one or more Department headed by an Administrative Secretary. In terms of Rule 4 (i) of the **Business Rules**, the following subjects and field societies/agencies are assigned to the Science & Technology Department.

- 1. Jammu & Kashmir Energy Development Agency (JAKEDA)**
- 2. J&K State Science Technology & Innovation Council (ST&IC)**

The **SCIENCE & TECHNOLOGY DEPARTMENT** by virtue of its duties is the nerve center of the administration of its subordinate offices/agencies. The Department functions under the supervision and guidance of the Hon'ble Minister, Science & Technology, Minister of State, Science & Technology and the Administrative Secretary of Science & Technology Department, who at present is of the rank of Secretary to Government.

Science and Technology Department is engaged in utilization of New and Renewable Sources of Energy for meeting the needs of people with focus on un-electrified villages/hamlets and other deficit areas besides harnessing the potential of Science & Technology as instrument of Socio Economic change. The Science and Technology has two wings under its Administrative Control viz JAKEDA and J&K State Science Technology and Innovation Council. The working/ functioning of these wings is as under:-

(A) J&K Energy Development Agency (JAKEDA)

The J&K Energy Development Agency (JAKEDA) for all districts of J&K **except Leh & Kargil** (i.e. Ladakh Renewable Energy Development Agency (LREDA) for Leh and Kargil Renewable Energy Development Agency (KREDA) for district Kargil) has been established with broad based objectives aimed at harnessing all forms of renewable energy. The objectives include:

- o Diffuse useful knowledge in the various fields of energy and thereby to deal with the problem caused on account of rapid depletion of Non- renewable sources of energy and the increasing pollution caused by the conventional uses of energy
- o Promotion, investigation, establishment, execution, installation and maintenance of projects aimed at meeting the energy requirements of remote villages by harnessing new and renewable energy such as solar, wind, bio-gas and micro hydel projects.

- o Carrying on the business of electricity generation in the field of all new and renewable sources of energy.
- o Preparation of master plan for the entire state for utilizing all viable forms of new and renewable energy.
- o Formulation of proposals for setting up energy plantation projects and popularization of such measures.

(B) J&K State Science technology & Innovation council (ST&IC)

J&K State Science Technology and Innovation Council for endeavors to harness the potential of Science and Technology as instrument of socio-economic change and strives to ensure that efforts in Science and Technology are not only restricted to scientific laboratories and academic institutions but percolate to the grass root, so that science, technology and innovation increasingly become part of the everyday life of our State. J&K State Science Technology and Innovation Council has a Governing & an Executive committee.

Promoting strong linkages with other Science & Technology agencies of GoI in the areas of Science & Technology like Deptt. of Science & Technology, National Council for science & Technology Communication, Deptt. of Bio-technology, National Council for Science Museum etc. for participation in National Science Initiatives for the overall socio economic and scientific development of the state and accordingly in addition to state plan support J&K State Science Technology and Innovation Council mobilizes token “Project Based Assistance” from the various agencies of the Government of India. The efforts put in, thus help the other development departments of the state to adopt new and advanced technologies in their respective fields.
